## *Your Wedding Day*

It takes months of preparation to produce a perfect wedding. This is why it's important that you choose a photographer whose work will reflect that perfection. Long after the wedding day is over, the images we capture will help you relive that special day. With years of wedding experience, our style is a mixture of traditional and photojournalistic approaches that will produce timeless images as well as capture the fun and excitement of your day.

### *3 Easy Payments*

VW Photography will reserve the time and date of your wedding and will not make other reservations for that time & date. For this reason there is a non-refundable retainer of \$500.00 due upon the booking of your wedding date. That retainer comes off the balance of your custom package. The remaining balance will be divided into two installments - half due 1 month before your wedding date with the remainder due upon delivery of your hard covered proof album and online ordering gallery.

### *Bridal Registry:*

VW Photography offers a bridal registry service. Your family and friends are invited to give you the gift that lasts a lifetime. All amounts are credited to the services of your choice.

VW Photography offers custom packages based on your individual needs and various budgets. Please use the following packages as a sample of our offerings and services.
